

Co-creating resilient and sustainable communities around the world.

Mission Statement

You Know More offers restorative support specifically designed for those who dedicate their lives to caring for others. Through providing retreats, events and classes, and self-help education with hundreds of essential workers (healthcare providers, educators, and community leaders), we impact hundreds of thousands of people each year.

Nonprofit Status

You Know More, an organization formed to offer restorative retreats, events, and education for essential workers (healthcare providers, educators, and community leaders) who dedicate their lives to service, is qualified for exemption under section 501(c)(3) as a charitable and educational organization. EIN# 88-1635781
